

CONDITIONS FOR SUPPLY & MAINTENANCE OF ELECTRICITY TO ALL LAND BASED STANDS AT THE SOUTHAMPTON BOAT SHOW 2010

- 01 - Where the Exhibitor's own fittings are to be connected by **Solent Power Systems Limited**, It is the Exhibitor's responsibility to ensure that all fittings are delivered completed and collected at the close of the Show.
- 02 - All Exhibitors fittings and wiring must comply with the current I.E.E.Regulations, Local Authority conditions, and Health & Safety Executive Directives.
- 03 - Exhibitors must provide timber battens, or other secure fixings for lighting fixtures etc.
- 04 - Multi-way socket outlets will not be permitted.
- 05 - Electrical work by persons other than the official Electrical Contractor is prohibited. No person other than a member of **Solent Power Systems Limited** staff may alter or interfere with the installation.
- 06 - The prices in the Schedule include the hire of all wiring and fittings. Any specific breakages or damage to the installation (including faults caused by Exhibitors' wiring or appliances) will be charged to the Exhibitor.
- 07 - If lighting points or socket outlets are required in a specific position on the Stand, a plan must be sent to **Solent Power Systems Limited** at least 14 days before the Show opens. If no plan is provided, the Engineer will use his discretion as to their position. Any fittings that have to be altered or moved will be at extra cost to the Exhibitor.
- 08 - This form must be returned to **Solent Power Systems Limited** by the closing date shown, together with full payment. Any orders received after the closing date will be subject to a surcharge of 25 percent.
- 09 - Power will generally be available from 08.30 hours each day of the Show. It may be available during build-up but that is not guaranteed, and may be disrupted at any time until the Opening Day. Temporary power is not available for the purpose of stand construction etc.
- 10 - Power will be switched off 30 minutes after the close of the Show each day. On the final day of the Show, power will be switched off 15 minutes after the Show closes, or before if there is a possibility of danger arising due to Exhibitors prematurely dismantling their Stands.
- 11 - **Solent Power Systems Limited** cannot be held responsible for failure to install an electricity supply, fittings, or other items ordered, if the Stand or other Contractors have not completed their work. The Exhibitor will be liable for payment in full for such items installed, even if late.
- 12 - All installations and connections will be at the discretion of the Engineer in charge.
- 13 - **Solent Power Systems Limited** cannot be held responsible for failure of electricity supplies under the control of the Supply Authorities, or for the failure of any mains producing generator sets.
- 14 - It may be necessary to disrupt the supply at any time for maintenance or safety reasons. This includes adverse weather or similar conditions not directly under the Electrical Contractor's control.
- 15 - As part of a temporary installation, all circuits are protected by residual current devices. These devices may trip occasionally due to the build-up of residual earth currents. Exhibitors are warned to take extra precautions to prevent loss of computer data etc. **Solent Power Systems Limited** cannot be held responsible for such loss.
- 16 - The use of generators to supply electricity to Exhibitor's Stands will not be permitted.
- 17 - Exhibitors must ensure that all electronic equipment is tested to prevent the input of harmonic distortion back into the Boat Show supplies.
- 18 - No refund will be issued for work carried out as ordered by the Exhibitor.
- 19 - Any omissions to the Exhibitor's order must be notified to **Solent Power Systems Limited** site office in writing (or by fax / email) within 48 hours of the Show opening. Refunds will not be issued without such notification.
- 20 - **Solent Power Systems Limited** reserves the right to apply an administration charge to refunds in such cases where the work could not have been reasonably carried out.
- 21 - Due to the design and layout of the temporary installation, it may be necessary to position mains panels etc. onto Exhibitors Stands. Any such positioning will be kept as discreet as safely possible.
- 22 - Sharing of power between Exhibitors is prohibited.
- 23 - No claim for loss or expense (actual or expected) will be accepted as a result of the Electrical Contractor's failure to perform.
- 24 - Kettles and heating appliances are not permitted on Stands. **Solent Power Systems Limited** must be notified of any heavy loadings. Note that power supplies are limited in certain areas of the Show.
- 25 - Any payments received from outside of UK must be increased to allow for UK Bank charges.
- 26 - EXHIBITORS MUST MAKE THEIR STAFF & CONTRACTORS AWARE OF THE DANGERS OF UNDERGROUND CABLES!
- 27 - Upon completion of the wiring to each Stand, the Exhibitor will be required to sign a Test Sheet to confirm that all of their own electrical wiring and equipment is safe and has been properly installed / connected.
- 28 - Any complaint about the electrical installation, the staff employed by **Solent Power Systems Limited**, or any other problem relating to the electrics at the Southampton Boat Show must be notified (in writing) to the Directors of **Solent Power Systems Limited** whilst still on site. A copy should also be directed to the Operations Director at Nations Boat Shows Limited.

FAILURE TO COMPLY WITH THESE CONDITIONS MAY RESULT IN ELECTRICITY SUPPLY BEING WITHHELD OR DISCONNECTED.
